FOOD FOR
THE POOR

A MESSAGE FROM THE PRESIDENT

Dear Friends in Christ,

Your incredible compassion for the poor was greatly needed in 2016. Haiti was devastated by one of the strongest hurricanes in the last 10 years.

Poor communities were wiped out in a matter of hours as Hurricane Matthew churned through the impoverished country's southern region. But the steadfast faith of Haiti's poor wasn't shaken, and thanks to your compassion, they can start rebuilding.

In this Annual Report you will see the results of your kindness. Through you, we were able to distribute aid to our poorest brothers and sisters. Thank you for changing the lives of desperate families throughout the Caribbean and Latin America.

Through you, we have nourished the hungry, provided safe homes for the destitute, given clean water to the thirsty, delivered medicine to the sick, and transformed the lives of the poor. We can only do this because of you. Together, we are making a difference.

Thank you for your support and kindness to the poor. May God continue to bless you.

A servant of the poor,

Robin G. Mahfood

Our mailings cost so little, but do so much. Over the last 10 years, fundraising and other administrative costs averaged less than 5% of our expenses; more than 95% of all donations went directly to programs that help the poor.

"For He satisfied the thirsty, filled the hungry with good things." (Psalm 107:9)

FEEDING THE HUNGRY

You fed the hungry and made them smile in 2016. Parents who had no means to feed their children received food because of you.

Your support helped to deliver shipments of food to hungry children and their families. In communities desperate for help, your donations delivered lifesaving food to churches, feeding programs, clinics and nutritional centers.

Because of your generosity, we are able to provide 15,000 meals per day, six days a week, to the hungry poor at our feeding center in Port-au-Prince, Haiti. For some children and their families, the meal they receive at the feeding center is all they will have to eat for the day.

Your compassion is changing lives. In Honduras, your support has given poor families a way to feed their hungry children and make a better life for them. In Guatemala, where droughts have led to extreme poverty and ever-increasing cases of malnutrition, your support of feeding and nutritional centers has provided lifesaving help to extremely malnourished children.

Thank you for blessing the poor throughout the Caribbean and Latin America. Your kindness is something that the poor may never be able to repay, but will remember forever.

FEEDING FACTS & FIGURES

- › In 2016, thanks to you, **617,844,286 meals** were distributed to feed malnourished children and their families.
- › You also support **hundreds of food-generating projects** like the ones listed on page 7.

AFTER

SHELTERING THE HOMELESS

Desperate prayers were lifted up by the poor in 2016 for safe shelter. Mothers cried in the night, sweating and swatting mosquitoes off their babies; young children wept in fear during torrential rainstorms; and sometimes entire families were forced to stand all night in the driest spot of their tiny shack. You heard their prayers and cries for help by lovingly providing them with safe shelter.

Through your kindness and generosity, Food For The Poor built safe, sturdy homes for homeless and needy families throughout the Caribbean and Latin America.

The difference you made in the lives of the poor is incredible. Entire families can now receive a restful night's sleep. They no longer worry that their rusted zinc roof will

collapse or fly off during a storm, or that an intruder will walk into their shack and harm their children.

You have given the poor a life they never dreamed possible. Parents can watch their children do their homework after dark with the solar-powered light kit included with each home, and children can concentrate on their schoolwork because they are getting a good night's rest. Having sanitation inside their home means families won't have to trek into the woods or bathe in front of strangers. They'll also experience improved health and hygiene.

God bless you and thank you for giving the beautiful gift of shelter to desperately poor families in 2016.

*"Then I will ever dwell in Your tent, take refuge in the shelter of Your wings."
(Psalm 61:5)*

HOUSING FACTS & FIGURES

- In 2016, you built **9,430 housing units** for families in desperate need of safe shelter.
- Since inception in 1982, loving donors like you have constructed **117,258 housing units** for the poor.

DEVELOPING A FUTURE

You helped to make 2016 a year in which families rejoiced in opportunities to break the cycle of poverty.

The old saying "Teach a man to fish, and you feed him for a lifetime" applies to more than fish! Thanks to you, poor families are given resources they need to improve their lives in many ways.

Entire communities grow their own food, thanks to the tools, seeds and training you provided. You supplied clean water to reduce life-threatening illness among children, and fruit-bearing trees to provide nutritious sources of food and welcoming shade.

Your support extended far beyond the basic need for food, water and shelter. Schoolchildren have a brighter future because of the learning resources you provided through Food For The Poor. From musical instruments to computer workstations, these tools for learning are shaping young lives for the better.

In countless ways, you have shared Christ's love with the poor. Whether you helped to build houses, fund fishing villages or supply resources for families to become self-sufficient, you selflessly shared your blessings to give the poor fresh hope for a better tomorrow.

*Utilizing matching housing funds

Thanks to you, Food For The Poor was able to distribute much-needed aid to victims of Hurricane Matthew in Haiti.

*"He who has compassion on the poor lends to the LORD, and He will repay him for his good deed."
(Proverbs 19:17)*

AIDING VICTIMS OF HURRICANE MATTHEW

Hurricane Matthew hit the southwest peninsula of Haiti in October 2016 with 145-mph winds that left hundreds of Haitians dead and tens of thousands without a home. Food For The Poor immediately responded in the aftermath by shipping and distributing food, water and medical supplies.

Desperately poor families, who had so little to begin with, had even less after the storm passed. Mud, straw and tin shacks were flattened, sometimes with people still inside them. Whole communities were turned to rubble and crops were washed away.

But because of your kindness and compassion, Haiti's poor know they are not forgotten. You provided shelter from the storm, clean water for the thirsty, and saved the lives of many with desperately-needed medicine. Through your generosity, Food For The Poor continues to help those affected by this horrific storm to rebuild and thrive.

Your compassion exemplifies the love and light of Christ. Thank you for what you have done to lift up our poorest brothers and sisters in Haiti.

RELIEF FACTS & FIGURES*

In the months following Hurricane Matthew, your support:

- Built **316 housing units** with another **770 housing units** under construction.
- Delivered **140 tractor-trailer loads** of food, water, medicines and other lifesaving aid.
- Repaired **two community centers** and **three schools**.
- Constructed **six fishing gear sheds** in affected fishing villages.
- Repaired the roofs and repainted the walls of **344 homes**.

HEALING THE SICK

You saved lives in 2016 by helping to establish local clinics within communities that previously had no one to help heal their sick. Your support of clinics, hospitals and nutritional centers provided lifesaving treatment in 2016 and delivered essential medicines, equipment and medical supplies to help poverty-stricken children and families.

Imagine being carried home for miles in a hammock hoisted by two men after giving birth, or hitchhiking down a mountainside with your dying baby in your arms. These are just a couple of examples of the poor you help with your generosity.

Affordable and sometimes free healthcare is what your kindness brings to desperately poor families. Vulnerable children and their families no longer have to lose their lives to treatable diseases or illnesses because they now have access to the proper medical attention they need and deserve.

Thank you for saving lives and helping to heal those who are sick and suffering.

“I will heal them, and reveal to them an abundance of lasting peace.”
(Jeremiah 33:6b)

TEACHING THE CHILDREN

Thanks to your support in 2016, motivated students from poor families are one step closer to breaking the cycle of generational poverty.

Education in the Caribbean and Latin America can present a tremendous challenge for poor children. Uniforms and school supplies are nearly impossible for poor parents to afford. Many schools lack sufficient desks, chairs and other materials needed for students to learn. But your generous support provided the key to unlocking a better life for impoverished children.

Because of you, students have comfortable seats and desks to sit at while they learn. Schoolchildren happily tote new backpacks filled with pens and pencils to class, and take notes on paper you helped to supply. Thanks to you, they wear new uniforms kept clean by proud parents, and they can prepare for the future by learning valuable computer skills.

Education is critically important to escape the clutches of multi-generational poverty. Because of you, poor children are able to receive the essentials they need to build a brighter future.

EDUCATION FACTS & FIGURES

In 2016, you helped build, repair or expand **42 schools**, and helped ship **158 tractor-trailer loads** of school furniture, books and supplies.

CARING FRIENDS

Our faithful supporters and organizations we work with bless the poor in many ways as they join with us to carry out the Lord's work in helping the poor.

Food For The Poor is grateful to work closely with other charities, community leaders, churches of several denominations and organizations who help us deliver lifesaving aid to the poor of the Caribbean and Latin America. Working together allows us to provide aid efficiently and economically where it is needed most. From supplying food to malnourished children to delivering tractor-trailer loads of emergency supplies to disaster-stricken regions, friends of our ministry help us efficiently deliver lifesaving aid to the poor.

With compassion and dedication, they help us to ease the suffering of the poor. Thank you for blessing those in tremendous need.

GIVING THANKS

You were true heroes to the poor in 2016. Your generosity brought them tremendous hope and opportunities for better futures. Thank you!

You have made such an incredible impact on poor children and their families across the Caribbean and Latin America. Your loving sacrifice has turned sorrow into gladness. Because of you, the desperate prayers of the poor have been answered.

Thank you to those who are participating in our Legacy Giving program. Your generous gift, bequests and trusts will make a lasting difference in the lives of our poorest brothers and sisters.

Supporters of our Operation Starfish and Champions For The Poor programs know that a simple act of love by just one person can make a huge difference in the life of someone less fortunate. Helping one person or

one family at a time, changing their lives for the better, is how we can change the world.

For all of the Christian organizations, churches and clergy that are following the example of Christ's love for the poor, thank you for everything you do for the impoverished families in the Caribbean and Latin America. Your kindness lifts the poor out of the darkness of poverty and into the Lord's loving light.

Whether you have provided safe shelter for the homeless, clean water, nourishing food for the hungry, or met another dire need, you have helped the poor in a powerful way in 2016, we are grateful to you. We look forward to continuing to help the poor alongside you in the future. Thank you and may God bless you.

OUR GOALS FOR 2017

 Building homes for the homeless

 Feeding the hungry

 Quenching the thirst of those without clean water

 Healing the sick

 Providing education to precious children

 Helping families become self-sufficient with micro-enterprises

 Supporting orphaned or abandoned children

VISION STATEMENT

Food For The Poor is God's instrument to help the materially poor and to renew the poor in spirit.

Our ministry is a reflection of our Lord's unconditional love — a love that surrenders all, that inspires trust and faith, and that embraces all people, regardless of race, status or creed.

It is also shaped by our belief that Christ is alive and can be served directly by serving those in greatest need. (Matthew 25:40)

For guidance and to maintain the purity of our mission, we stress the need for regular prayer.

Through surrender, service and prayer, we seek a closer union with our Lord.

MISSION STATEMENT

Our mission is to link the church of the First World with the church of the Third World in a manner that helps both the materially poor and the poor in spirit.

The materially poor are served by local churches, clergy and lay leaders who have been empowered and supplied with goods by Food For The Poor.

The poor in spirit are renewed by their relationship with and service to the poor through our direct ministry of teaching, encouragement and prayer.

Ultimately, we seek to bring both benefactors and recipients to a closer union with our Lord.
